AUCTION BULLETIN

The way to sell used Furniture (a straight tip) and get full value for everything, is through the Auction Rooms only. Should you wish to leave here at a set time, we will buy the whole thing as it stands, and take possession on the morning you take the steamer, paying for the goods in coin then and there, no need for you to worry. If, however, you want to sell at your own risk we will be happy indeed to get you the best possible price, which in every case depends on the goods themselves. The buyers are here every sale and up-to-date Furniture sells freely at prices that make it very foolish to put Furniture into storage. Prices fluctuate but we will take the risk as buyers. Cannot expect you to guarantee when you sell for your own account. The policy of the rooms is "to sell whatever offered at market rates on day of sale," otherwise we could not get the people to come out and bid as they do every sale at Honolulu Auction Rooms. J. S. Bailey.
